## 800 Masons of District 21 Expected in Antioch Saturday Evening to Greet Grand Master Carroll T. Hughes and His Staff

Dinner at Methodist Church at 6 p. m. Meeting at School at 8 p. m.

An estimated 800 Masons will be in Antioch Saturday evening to greet the Grand Master of the lodge in Illinois, Carroll T. Hughes of Jacksonville, and his staff of state officers.

They will represent 12 Masonic lodges of Lake county in District 21 and lodges of the surrounding area who have been invited to meet the grand lodge officers.

The program will start at 6 p. m. with a dinner at Wesley Hall in the Methodist church where Grand Master Hughes and his staff of 12 from various cities in Illinois will make their first appearance.

Assembly of the lodge men at 8 p. m. will be at the auditorium of Antioch Community High School.

Because Mayor James McMillen will be out of the city at the time, Fred B. Swanson will represent him in turning the keys of the village over to the visiting dignitaries and welcoming them to Antioch on this their first visit.

Bernard Guillaume, master of Sequoia lodge in Antioch will have the privilege of introducing Hughes, who in turn will introduce the members of his staff.

The grand master will assume charge of the meeting and deliver his address.

This is the first time in several years that the district meeting has been held in Lake county and the first time in the history of the Antioch lodge that it has ever been held here. Lack of meeting space has prevented in the past.

In addition to the present state officers, a number of former state officers are expected to be present.

## A. T. H. S. Band Concert Friday Night to Show New Style in Music

Those attending the Antioch Township High School band's "Concert of the Year" at 8 p. m. tomorrow (Friday) at the school auditorium will observe a new style in band music, according to Louis Chenette, director.

Formerly the band occupied only a minor position in the musical world, and its repertoire consisted mainly of marches and overtures. It was considered strictly a military organization good only for parades and outdoor playing.

The new look for bands takes away none of this concept, but expands it. The best bands today sound equally well on the march, in the bandstand or in the concert hall. Band repertoire has expanded to include music of symphonic proportions and too, music of popular styles, says the director who will demonstrate this in the program tomorrow evening as follows:

March: Emblem of Unity—J. J. Richards.  
Symphony No. 8 in B Minor "Unfinished"—Franz Schubert.

Allegro moderato  
Trumpet Solo: "Willow Echoes"—Frank Simon... Jay Cribb soloist, accompanied by Wendy Midgley.

Pan's Angelicus—Cesar Franck  
March: Invercargill—Alex Lithgow

Intermission  
Open Thy Heart (Spanish Serenade)—George Bizet

Swedish Rhapsody—Percy Faith  
Girls Trio, "Softly as in a Morning Sunrise"—Sigmond Romberg

Nancy Swenson, Rosalie Morris  
Donna Riedel  
Jaclyn Martin, accompanist

Sleeping Beauty Waltz—Peter I. Tschakovsky  
The Peck-Horn's Revenge—R. W. Bowles

Vincent Youman's Fantasy—Paul Yoder.

Officers of the band are: Donna Martin, president; Dick Huml and Lynn Bolton, librarians. The group is under the direction of Louis Chenette. Tickets are available from band members and will be sold at the door.

## Roy Hurd to Address Lions Club on Monday

Another excellent program has been planned by the Antioch Lions club for Monday, April 12, meeting to be held at Smart's Country House. Dinner will be served at 7 p. m. with the program following.

Roy C. Hurd, director of the Hurd Travel Agency at Waukegan will show a color sound film entitled "Wings to Viking Lands." Mr. Hurd will supplement the film with some remarks about his traveling experiences.

Carroll T. Hughes, Jacksonville, Ill., head of the Masonic lodge in Illinois accompanied by his staff will appear in Antioch Saturday evening.

## Chamber Of Commerce Announces Plans For Bus Trips, Big Buck

Shopper Transportation and Sales Promotion to Start About May 1

Issue Tokens for Auction Sale

Two important community trading services will be provided by the Antioch Chamber of Commerce starting May 1.

A special shuttle-bus transportation service for Antioch shoppers will be operated two days a week for residents of Channel Lake, Grass Lake and Venetian Village communities.

The businessmen will enter into contract with the Graff Bus Co. of Libertyville, for a service on Tuesday and Wednesday of each week in which shoppers will be brought to Antioch and returned home free of charge, the Chamber of Commerce bearing the cost.

Details of the plan will be worked out and announced later.

The second important announcement is the plan for a "Big Buck" arrangement also starting next month.

Under this plan the patrons of participating Antioch stores will issue a token dollar which may be saved and at the end of three months the merchants will stage an auction of goods and articles on which the customers may bid, making payment with the tokens.

The plan has been quite popular in other localities, the merchants were told and the Chamber of Commerce at its meeting at Card's Monday noon, decided to give it a try. Secretary O. I. Onstad said.

Discussed at Monday's meeting were the public telephone booth and off-street parking, but no action was taken in either matter.

## Post Office Receipts In Antioch Up 10 Pct. For 1st Quarter 1954

If postal receipts in Antioch are any measuring stick, business in this village continues to grow.

The income for the Antioch office for the quarter ending March 31 was \$11,690.48, a 10 per cent increase over the first quarter of last year when it was \$10,588.61.

In 1952 the receipts totaled \$9,706.10.

"The increase is an all around advance and not merely the result of increased costs in second class mail," said Postmaster Roy Kufalk. "We are fully justifying our increased rating by our gain this year," he added.

Kufalk said that the office is trying in every way to increase services to the patrons. One can buy stamps as early as 5 a. m., which is far earlier than the hours required for the start of the day's business.

Brunch for Republican Women

The Woman's Republican club of the thirteenth congressional district will hold its third annual Easter Monday brunch at the Edgewater Beach hotel in Chicago at 11:30 a. m., April 19. Marguerite Stitt Church will be the speaker. Mrs. W. C. Petty of Antioch will receive reservations up to Monday.

## School Elections on Saturday Afternoon; Three for Grade Post

During the excitement of the primary election, the school elections Saturday afternoon must not be forgotten.

In Antioch the only contest is for the grade school board where three men are seeking two positions. Charles Wertz, president during the past year, and Harold Carditz are asking re-election and the third contestant is Robert Taylor.

Voting will be at the grade school from noon to 7 p. m.

No opposition has appeared to the re-election of President Fred Scott and Louis A. Biel to the board of Antioch Township High school. Voting will be at the high school in Antioch Township High school and at the Lake Villa Grade school in Lake Villa township.

## Big Turnout Sought At Republican Primary By Central Committee

A heavy turnout of Republican voters in Tuesday's primary election was urged today by Jack D. Williams, chairman of the Lake County Republican Central committee.

Williams said he hopes the vote will exceed 40,000 as an indication to the rest of the state that Lake county is determined to be the top Republican county of the state.

The total vote in 1952 was 39,116, but the voters registration fell far short of the present 95,000 registration.

"Every Republican should go to the polls on Tuesday to help select the county, senatorial district, Congressional state officers who will represent the Republican party in the general election next fall," Williams asserted.

"We want our nominees for office to be the choice of a majority of the Republicans of the state and county and not just the choice of a majority of those who go to the polls on election day, the central committee chairman declared.

"A big turnout of voters on election day will show the opposition the Republican party is very much alive and determined to elect a full slate of Republican candidates throughout the state next November," Williams said.

Polling places in Lake County's 133 precincts will open at 6 a. m., Tuesday, April 13, and close at 5 p. m.

## Antioch Heights Area Now Part of Village

The village board accepted the Antioch Heights subdivision of Arthur Laursen Tuesday evening, taking over the roads and water system which will be a part of the village system from now on.

The board issued building permits to James Johnson for a \$10,000 residence at Antioch Heights subdivision and to Robert Jensen for a \$30,000 home on Winsor Dr.

At an earlier meeting the board accepted the roads and water system of the Knollwood subdivision and then agreed to supply water for its Wisconsin area subject to approval of the village engineer.

A frontage of 750 feet on North ave. west of the Knollwood subdivision was established if and when that area is subdivided. That will provide a business area for that part of the village.

## Increases Voted In 3 Township Funds At Meeting Tuesday

Both the town fund and the poor fund were upped at the town meeting Tuesday.

The town general fund was increased from \$9,000 to \$14,500 and the poor fund from \$14,100 to \$15,000.

The increase in the town fund was due to the increase in the assessor's salary and the fact that this is the quadrennial year of assessment which means more work and expense, according to Clerk Llewellyn Van Patten, Jr.

The poor fund was increased in anticipation of more persons being out of work due to cutbacks from a war time to a peace time basis.

The library fund was upped \$300 to \$8,375, Clerk Van Patten said.

## LET'S PLAY BALL WEEK...

## Hot Races for State Representative and U. S. Senator to Attract Voters to Polls

### Candidates for Offices In New Antioch-Lake Villa Republican Club Named

The projected Antioch-Lake Villa township Republican club is one step nearer organization today as a result of action taken by committee-men of the regular Republican organization at a meeting held at Club Villa, Lake Villa, last night.

The committeemen of all precincts within Lake Villa and Antioch townships were appointed to act as a steering and nominating committee at the initial meeting held last week in Antioch.

Action by the committeemen last night included placing in nomination a slate of candidates for office in the new organization. Charles Larson, precinct committeeman from Antioch precinct No. 2, who acted as chairman for the meeting last night said that the choice of the committeemen is not final, but that additional nominations may be made from the floor at a general meeting to be held on April 21, at the Antioch Rescue Squad building.

On the slate of nominees are Wm. Brook, president; Wm. Lenz, Lake Villa, vice pres.; Howard Gaston, Antioch, secretary; and Ken Hart, Lake Villa, treasurer.

Seven of the eight precinct committeemen were present last night.

### G.A.A. to Fete Mothers At 7th Annual Banquet At High School Apr. 10

The members of the Girls' Athletic Association of Antioch Township High school will entertain their mothers at their seventh annual banquet at 6:30 p. m. Saturday. The girls expect to entertain about 225 persons. The wives of the high school board members will be honored guests.

Margaret McCann, president of the organization, will give the welcoming address and Mrs. Robert McCann, her mother, will reply for the mothers. Miss Mary Ann Donovan, the sponsor of the organization, will present about 80 awards to the girls athletes. There will also be a sportsmanship award and individual trophies for various sports awarded.

The program of entertainment will include a saxophone solo by Nancy Rentner; a tap dance by Janet Rogers and Joan Mair; a vocal solo by Jaclyn Martin and Donna Reidel. The main event of the evening will be a style show by the Mari Anne's dress shop of Antioch.

Rex Stearns Ends Service

Cpl. Rex Stearns, son of Mr. and Mrs. Paul Stearns of Antioch, has received his discharge from the Marine Corps. For the past year and a half he has been stationed at Camp Del Mar of Oceanside, Calif., where he worked in the office of the Ordnance department. He and his wife, the former Helen Dodge, of Creston, Iowa, will live in Creston where he will manage a grocery and meat market.

Gets State Scholarship

State Rep. Harvey Pearson has awarded a general assembly scholarship to Miss Gloria Fenner of Ingleside. Miss Fenner is an outstanding student at Grant Community High School.

Corhak In Hospital

Charles Cermak, insurance and real estate dealer, has been in St. Theresa hospital for the past week suffering from a virus infection.

### W. J. Murphy Will Win, Local Friends Predict as Tuesday Nears

With many candidates for United States Senator, and for State Representative to choose from, Antioch and Lake Villa Township Republicans should be able to pick a satisfactory slate when they go to the primary polls next Tuesday.

Greatest interest in Antioch is the race of W. J. Murphy of this community for representative. His Antioch friends believe he will win. He is pitted against A. B. McConnell of McHenry county, and Harvey Pearson, incumbents; Robert F. Williams, Waukegan, and Robert Milton, Lake Forest.

Antioch business men have endorsed Murphy and so has the recently formed new Republican club of Lake Villa and Antioch.

Other contests for county offices are Mark Drobnik opposing incumbent Charles Jack for probate judge; and Roger M. Kane and Albert Nordstrom against Stanley M. Christian for sheriff. All other Republican candidates are unopposed.

There are 10 candidates for United States senator on the Republican ticket. They are Joseph T. Meek, and Edward A. Hayes who have many supporters in this area; Deane A. Watson, Austin Wyman, John B. Crane, Lar Daly, Edgar M. Elbert, Herbert F. Geisler, Julius Klein and Park Livingston.

Robert J. Branson, Warren E. Wright, and Conrad F. Becker are in the race for state treasurer.

As usual the Democratic ballot shows few contests.

Voting in Antioch township will be: Precinct 1—Rescue Squad station; No. 2—Village hall; No. 3—Lotus school; No. 4—Grass Lake school; No. 5—Chase's Service Station, Rte. 173, Channel Lake.

In Lake Villa township the voting places will be: No. 1—Village hall, Lake Villa; No. 2—Engle's Real Estate office; No. 3—Lake Villa Grade school.

The polls will open at 6 a. m. and close at 5 p. m.

## Johnnie Kreisant Bowls Perfect 300 Game for Loon Lake Inn Friday

Johnnie Kreisant, bait shop owner, bowling with the Loon Lake Inn team in the Major league at the Antioch Recreation last Friday night chalked up a 300 game.

It was the first faultless game ever bowled under sanctioned play in the 14 years of the Recreation's history.

Two other perfect games were bowled in open play, and credit for them goes to Henry Pape and Jack Smith.

Kreisant was under tremendous pressure when he rolled the last ball, and there was a big shout of the spectators when the pins crashed with a perfect strike.

Kreisant's score for the evening was 643. His first game score was 172; his second, 300 and his last 171. He is normally a 172 bowler.

Only 14 perfect games have ever been bowled under sanction play in the North Shore area, it is said.

Wigwam Incorporated

From the Secretary of State's office has come the official announcement of the incorporation of the Antioch Township Youth Organization, for which Winifred Terry, Harold W. Wilson, Sr., and Harold Cardiff, are listed as incorporators, and Richard B. Seyfarth as attorney.

## Depot St. People Seek Abatement of Garbage Dump

Petition Village Board to Get Rid of Nuisance, Health Hazard

Order that the garbage dump on the Walker Curney property east of the Soo Line track on Depot street be properly maintained was given by Mayor James McMillen Tuesday evening after residents of that area petitioned its abatement.

The petition bearing approximately 30 names was presented to the board after the signators said that three years of the nuisance was long enough.

The dump is a private one to which most of the garbage from the village has been hauled by Murrill Cunningham, village trustee and others.

Ten residents of the Depot st. area headed by George Borovicka, local druggist, as their chief spokesman, were present to back up their demands in the petition, which said that the dump is a public nuisance and that its refuse and garbage, the odors from its smoke and fires are unhealthful.

"Why should we citizens have to put up with this nuisance?" asked Borovicka, who said that over the three-year period it has been growing gradually worse.

Disturbs Eating and Sleeping

Other members testified that rats and flies are bad there and that the odor is so nauseating at times that they cannot eat or sleep.

"Something besides garbage is dumped there," said Clarence Heath, "I see wagons from Libertyville and Lake Villa used in cleaning cesspools standing at the side of the road. It's not right, but it's being done."

Trustee Cunningham admitted that others besides himself have (continued on page 5)

## Men Stage Style Show As April Fool's Stunt For Women of Moose

Committee chairmen of the Antioch Women of the Moose took advantage of April Fool's Day to present as a style show the surprise appearance of men modeling women's clothing in mock fashion.

The show was directed by Mrs. Florence Dexter, and the models were Lester Nelson, Wally Good, Gene Wire, Carl Schiesser, and Bill Horton of Antioch; Wendell Hage, Russell Owen, Bill Bush, Harry Dexter, Raymond Morton of Trevor, Wis., and Gilbert Elstelder of Bristol. Narrator was Eddie Zerr of Antioch, and the musician Russell Longman of Trevor, Wis.

Gene Wire entertained with songs. Refreshments were served and a bake sale held. The attendance was 115.

Mrs. Arthur Herron and Mrs. Donald Stowe were initiated into the lodge, and Mrs. Dorothy Garrett into the Home chapter.

Mrs. Harriet Grewe, homemaking chairman introduced as her committee Florence Dexter, Elsie Orlovski, Dorothy Owen, Eleanor Richards, Betty Horton, Hazel Hawkins, and Georgia Wire.

There will be a dance and card party at the Moose hall April 24, and the next meeting of the chapter will be on April 22.

## Antioch Packing Co. Plans Easter Egg Hunt For Children, April 17

An Easter egg hunt will be staged by the Antioch Packing House for all children under high school age at 2 p. m. Saturday, April 17 at the Antioch Scout House.

Nearly 1,000 colored eggs will be hidden for the youngsters to find and more than 175 of them will entitle the finder to a prize valued at as much as \$10.

To attend the hunt the child must have registered and registration tickets may be obtained any time before noon April 17 at either of the Antioch Packing House stores, North st. and 925 Main st.

Only those children registered in advance will be eligible for the cash prizes for finding the lucky eggs.

No School on Good Friday

Schools in Antioch will be closed for Good Friday, April 16.

They will re-open on the following Monday and this lack of lengthy Easter vacation will permit earlier closing next June.

Supt. Richard Whitaker said the local schools are following the suggested schedule of County Superintendent W. C. Petty.

### Encourage Private Spending

Business activity has dropped somewhat from the extremely high levels of recent years.

One way to stimulate industry lies in reducing the taxes individuals pay, and thus leaving them more money to buy the products that keep our factories and farms going.

A second, and equally important but often overlooked way, lies in measures and reforms that will encourage men to take risks, and invest their money in job-making productive enterprise.

As an example, two kinds of taxes, both manifestly unfair in character, are serious barriers to incentive. One is the capital gains tax. The other is double taxation of corporation dividends. And this last, as one authority has pointed out, "strikes directly at the corporate form of business ownership, the one form of ownership offering the greatest opportunity for small savers to share in America's growth."

It is argued that the government needs the revenues these taxes provide. But it can also be argued, and past experience supports it, that any losses would soon be made up by increases in normal tax revenues resulting from increased business activity. And certainly, at a time when government spending is being cut, we should take every logical step to spur private spending and investment.

### Build Faith in Our Children

In accepting the National chairmanship for the 10th annual observance of National Sunday School Week, which will be celebrated April 12 through 18 this year, Irving S. Olds, prominent New York attorney, had this to say: "I think we will agree that Sunday School Week is a week of great significance for the nation. No one can minimize the importance of Sunday Schools in fostering among the youth of the country a faith in God and an ability to recognize what is fundamentally right and just."

National Sunday School Week and National Bible Week are staged annually by a hard hitting organization, the Laymen's National Committee. The slogan for Sunday School Week this year is: "To Build Faith in Our Children—Take Them to Sunday School."

"Perhaps now more than ever before our nation," in the words of the Committee, "is beginning to respond to these simple beliefs of our forefathers, those same tenets and principles that made this country of ours what it is."

### Across the Counters

It would be hard to exaggerate the importance of retailing in the nation's economic life. In the last year for which figures are available,

for instance, distribution of food alone accounted for the employment of over 1,000,000 people, who received close to \$2,200,000,000 in wages. The figures would be substantially higher now. And non-food retailing also makes comparable contributions to our total employment and payroll.

It has been accurately said that the amount of trade that is done across store counters determines whether times shall be good or bad in this country.

### Magic Resources

A lump of soft coal isn't an impressive article to look at, but it is the basis of some of the most far-reaching chemical and industrial developments of our age.

As most of us know, coal is essential to the manufacture of steel, and it is the source of the major part of all the electric power we use. But that's only part of the story.

Coal is scientifically transformed into more than 200,000 products now in widespread daily use! They include asphalt and aspirin, aluminum and anesthetics, fertilizers and fabrics, rubber and insecticides.

So much for the proven achievements of the present. According to the scientists this, striking as it is, marks just the beginning. On some tomorrow coal will be responsible for countless other valuable products and services. And, of course, its traditional uses, as in the steel mills and the power plants, will require far more coal than is consumed today.

In the light of such facts, can anyone doubt that a progressive and profitable coal industry is a "must"?

### The Low Down From Hickory Grove

Governors sound-off with proclamations—mayors too—and Congress views with favor or with concern what's to come, so I deduce it is legal and proper for any hombre to put in an oar. Take the boys there in old Law-Making-Town, they are a pretty fair lot, all in all, and if they only knew what we want 'way out here, we would get same. I am no shrinking violet so I pick up the torch and enlighten them.

What we want out here is not be looked upon as if we think of nothing but a hand-out from Uncle Samuel. The main thing that we expect from congress is for it to keep our army and navy in the keenest, brightest, fighting trim—our courts staffed with men of balance—our individual States to be looked upon as qualified to run their own shebangs. It's that simple.

Out here we know how to run our schools—our power houses—our savings accounts at the bank. We don't like a flock of Govt. employees riding high wide and handsome on our bent backs—we don't want to be led by the hand or to be pushed around. We do not consider the congressman with the most novel way to spend the most the quickest, as our keenest hero. He is not such. More congressmen should put more ears to the ground there in old Bazooville while the puttin' is good. It might prolong their political longevity. Longevity, that's quite good, says Henry. Well, well, same to you, I says.

Yours with the low down,  
JO SERRA

## LAKE VILLA

There will be services of worship at the Community Methodist church of Lake Villa at 9:30 a. m. and 11 a. m. on Palm Sunday. The Cherub and Junior choirs will sing at the early service. Church school for nursery through first year juniors will meet at 9:30 a. m. The older boys and girls will attend the worship service. There will be baptisms at the 11 o'clock service and the sermon topic will be "The Message of Palm Sunday." On April 15, Maundy Thursday at 8 p. m. a communion service will be held and on Good Friday at 8 a. m. the Baptist church and the Village church will hold a united service at the Community church. All are welcome.

Mr. Victor Neeley of Beverly Hills, Calif., presented an organ concert of classical and religious music to a full congregation at the Methodist church Sunday evening. The concert followed a reception for new members who were received at the morning service. Thala Rush

and three of his students from the Lake Villa school, and the Rev. and Mrs. Kenneth Plummer furnished music for the reception. Mr. Rush joined with Mr. Neeley for the concert and played the Lord's Prayer as a solo on the English horn.

The Edwin Kapple and Larry Williamson families of La Grange visited their parents, the Albert Kapples and J. R. Williamsons on Sunday, and expect to fly to Florida Wednesday on vacations.

Mr. and Mrs. Winsor Dalgaard welcomed a baby daughter on Friday evening, April 2 at Victory Memorial hospital. She weighs more than seven pounds and will be called Cheryl. She has two brothers, Winsor, Jr., and Jimmie, at home.

Mrs. Lulu Nelson, Mrs. Mayme Kapple, Mrs. Marie Hamlin, Mrs.

Lutie Boehm, Mrs. Georgia Avery, and Mrs. Madeline Hamlin were guests of Mrs. Cora Hamlin at a luncheon at her home on McKinley avenue last Thursday afternoon.

Mr. and Mrs. Harry Brownlee have been visiting their daughter, Mrs. Claudette Collins and family in Oklahoma for the past two weeks, and in the meantime, the restaurant they conduct on Grand Avenue has been closed for repairs and alterations for the summer trade.

Donald Davis, son of Mr. and Mrs. Elmer Monnier of Oak Knoll Drive, and Miss Doris Cleveland of Round Lake, who has been living at Round Lake with relatives but whose parents live in California, were married at the Grayslake Episcopal church by Rev. Smedburg on Saturday afternoon. Donald is in the Army Air Force as staff sergeant

and has served eight years, now stationed at Youngstown, Ohio. He was home on a five day leave and the newlyweds left immediately for his base at Youngstown.

Mrs. Earl Monnier has been a recent surgical patient at Victory hospital in Waukegan.

On Saturday evening Mrs. Vern Blust, Mrs. John Perry, Mrs. Fred

Popp, Mrs. Anna Nader, Mrs. Lela Barnstable and Mrs. Marie Hamlin later spent the evening at the Blust home in observance of Mrs. Hamlin's birthday.

**YOU** can't fool the ladies when it comes to styling.

From clothes and hemlines, to bars and color schemes—they insist on a fresh new look and a fresh new change—and anything else won't do.

So it's easy to see why the gals—bless 'em!—have been going for Buick in a great big way—going for the glamorous modernity of these new-day automobiles ever since the first public showing a few short months ago.

From the beginning, they've been going for the sleeker, longer, lower lines—the futuristic shaping of the new windshields—the stunning décor of the striking new fabrics—the clean simplicity of the new instrument panels.

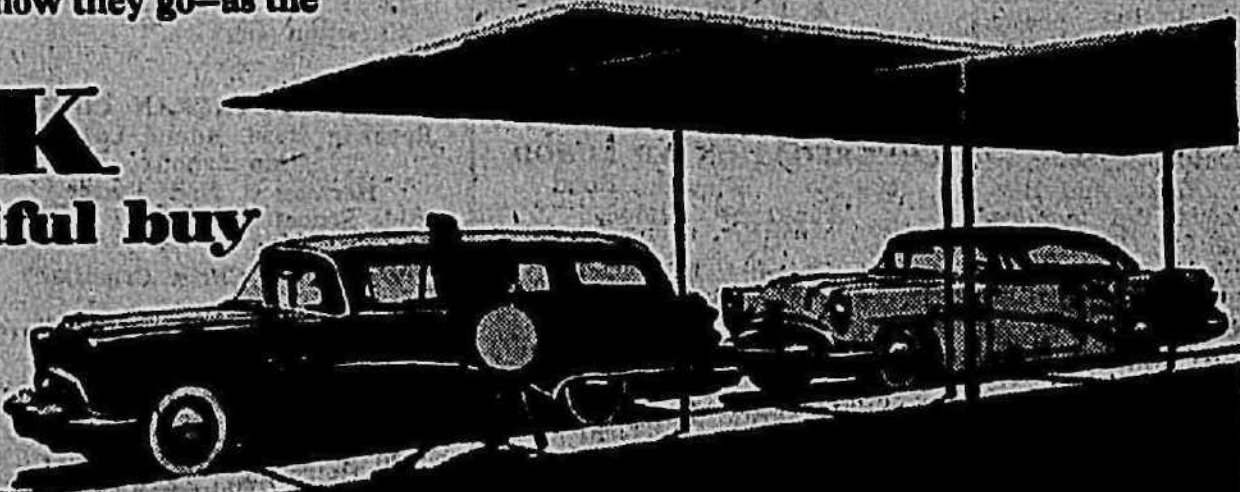

But you ought to see how they go for the gay new car models in Buick's Spring Fashion Show! Fresh new Convertibles, Rivieras and Estate Wagons never before available—and in gorgeous new summer colors never shown before!

And you ought to see how they go—as the

## High School to Sponsor All-Community Party On Saturday, April 24

The Student Council in cooperation with the Board of Education of the Antioch Township High School is sponsoring an all-community party on Saturday evening, April 24 in the high school building. These groups wish to express their appreciation to the public for the very fine support which has been given to the school and its many activities throughout the school year.

Working in cooperation with the Council members and the Board are the faculty, many of the parents of the students, parents of Council members, two or three faculty sponsors, three or four parents and members of the board of education and their wives. The names of those serving will be released next week.

Provided for the evening's entertainment are square dancing in the new gym, social dancing in the girls' gym, children's games in the recreation room, and a card party on the auditorium stage. A highlight for the evening will be a free lunch provided to all boys and girls up through the high school students. It will consist of a barbecue and a drink... pop, milk or coffee. If a student eats more than one lunch he will be required to pay for the second one. All adults will be charged for their barbecues and for drinks. This small charge will help to defray the costs of the free lunches.

Other than the lunch fees, there will be no admission charge nor any other charges throughout the evening.

A cloakroom will be provided for your wraps.

Invitations will be sent to the parents of high school students and to the heads of all clubs and organizations in our high school district, who in turn will relay the invitation. It will be impossible to reach all by mail, therefore, the invitation will be given you through the newspapers.

## Newport Republican Women's Club to Meet At Tiffany Home Friday

The first meeting of the Newport Township Republican Women's club will be held Friday, April 9, at 1:00 o'clock at the home of Mrs. Clayton Tiffany, Faulkner rd., Wadsworth. All Newport township women are invited to attend.

The Newport Township Republican Women's club was organized the evening of March 30 at a meeting of Newport township women held at the Wadsworth school and conducted by Mrs. John H. Mitchell of Mundelein, Lake County Republican Women's chairman, assisted by Mrs. Jack D. Williams, of Wauconda.

Officers elected at the March 30 meeting were: president, Mrs. Clayton Tiffany; vice president, Miss Grace Shields; secretary, Mrs. V. D. Crenshaw; recording secretary, Mrs. Edward Humrich; treasurer, Mrs. Emmet W. King, all of Wadsworth.

Mr. and Mrs. Lee Hinterlong and Mr. and Mrs. John Dupre attended the Home Builders show at the Navy Pier in Chicago Tuesday. They said they saw some interesting interior construction and the whole show was worth attending for anyone.

Mr. and Mrs. C. W. Wikoff and children of Urbana spent Thursday and Friday with Mrs. Wikoff's parents, Mr. and Mrs. J. J. Rhymer.

Mr. and Mrs. George Grunow, Jr., returned home recently after spending a month in Canada.

Sunday dinner guests of their son, Edward and family at their home on Tiffany road.

Mr. and Mrs. Norman Rockow and two daughters spent the week end at the Awall Rockow home at Winslow, Ill.

## ANNOUNCE BIRTH OF SON, "MICHAEL"

Mr. and Mrs. Walter Mozal of Chain O' Lakes subdivision announce the birth of their fourth son, "Michael" born at St. Therese hospital, Waukegan, April 1st.

## DOUBLE PARKING — A NEARLY HAZARD

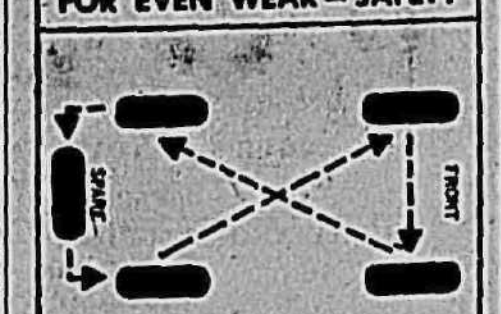

You see it happen often — the thoughtless driver who is only going to be a minute on an errand — can't find a convenient, empty place to park — so double parks out in the traffic lane. This often causes needless traffic congestion and sets up a potential accident for other car operators using the thoroughfare — and all because highway courtesy was ignored. For safer driving, think of your actions in relation to other drivers — don't try to hog the road.

**Fund Gets Good Start**  
Mrs. John Dupre, chairman of the Cancer Fund drive in Antioch Township, said yesterday that she has received \$82 toward the goal of \$650 which is to be reached by the end of April.

"I am pleased that there were donations from several persons who had not given before," said Mrs. Dupre.

## CHANGE TIRES REGULARLY FOR EVEN WEAR — SAFETY

Tires with good treads are needed for safe driving. Check tires regularly for tread wear and keep tires properly inflated. If there is excessive wear on any one tire have wheel alignment checked. Here is a suggestion to obtain even wear and prolonged tire life. Switch the tires on your car every 5000 miles according to the diagram shown above.

(Continued from page 1)  
been hauling garbage there. He said that a caterpillar tractor is expected within the next 10 days and that it will be used in applying a land fill method. He and Trustee George Garland both said that the land fill method if properly used will leave no garbage exposed, no fires and permit no rats.

J. Robert Cary questioned the ability of anyone to apply the land fill method in swamp area, saying that some high ground is necessary. Cunningham still thought it could be done. He said that if this method is done the cost to the people of Antioch would be more because of the time, effort and equipment that would be needed. He said there was little profit in it for him.

**McMillen Gives Orders**  
"I don't believe there is any question that there is a problem," said Mayor James McMillen. "Like other villages Antioch has its trouble with the disposal of garbage. We are going to have to handle it properly or stop."

"Starting tomorrow, the present garbage must be covered, and future dumpings on the other side of the creek."

"I am appointing the board as a committee of the whole to find a suitable place outside the city limits for a dumping place."

"Mr. Curnes will have to put up a fence and a gate which must be kept locked. He must put up signs to the effect that it is private."

Turning to the spectators, he said: "It will be up to you to help catch these persons who are hauling from outside the village in violation of the law. Get their license numbers, the kind of car, and note the time of day they are there."

He then instructed Trustee Cunningham to notify the Regal China Co. that it must bale or burn its paper and not include it in the trash.

"Cover the garbage every day, and if it is properly covered the people won't have anything to squeal about."

**Solution Will Take Time**  
To the question of when the nuisance would be corrected, McMillen said it would take time.

"We will solve it—not in a week or two weeks, but in a month maybe," he said.

Walker Curnes, owner of the property where the garbage is being dumped, was not present at Tuesday night's meeting.

To the suggestion that the village take over the responsibility of garbage disposal instead of permitting it to be handled privately, Village Atty. Edward C. Jacobs said that no more than .10 per cent tax could be levied and that wouldn't bring in more than \$1,000 tax revenue which wouldn't begin to pay the cost.

The board is planning to use the land fill method of garbage disposal on the low place in village property east of the Soo Line track to reclaim it.

## Shopping Area Provided For on North Avenue

A frontage of 750 feet on the north side of North ave. and west of and adjoining to the new Oakwood Knolls subdivision has been set aside by the village board for commercial use, "if and when a subdivided plat is presented for approval."

This area designated for business property could readily become the site of a large shopping center or market as well as an area for neighborhood stores.

## Mrs. Christine Kaphengst Dies at Home of Daughter

Mrs. Christine Kaphengst, 81, Salem, Wis., died Monday following a lingering illness at the home of her daughter, Mrs. Earl Firchow.

Mrs. Kaphengst was born May 24, 1872 at Flemsburg, coming to the United States in 1891, settling in Chicago and for the past 57 years had lived at Salem. She was a Gold Star Mother and was a member of Schultz-Hahn post No. 293 American Legion auxiliary at Salem.

She was married to Richard Kaphengst in Chicago Feb. 8, 1896. They celebrated their 58th wedding anniversary.

Survivors are her husband, Richard, three sons, William and Elmer of Salem and Richard, Jr., of Fox River Grove, Ill., four daughters, Mrs. R. Gettins, Bristol; Mrs. Lester Feldkamp, Mrs. William Sherriff, and Mrs. Earl Firchow, all of Salem; one sister, Mrs. Dora Lukon, Mt. Prospect, thirteen grandchildren and five great grandchildren. Preceding her in death were a daughter, Mary, and a son, Charles.

Funeral services were held at 1:30 p. m. Wednesday, with the Rev. Robert Smith of the Salem Methodist church officiating. Interment was in Salem Mound cemetery.

**County Home Bureau to Meet**  
The Lake County Home Bureau will hold its annual meeting at the Methodist church in Libertyville next Tuesday. The program will include two guest speakers, special music, annual reports and business.

**Home From Hospital**  
Supt. Richard Whitaker was brought home Sunday from St. Theresa hospital where he was operated upon for appendicitis. He hopes to be back at his desk next Monday.

## Tips on Traffic Safety

By CHARLES F. CARPENTIER  
Secretary of State

Skidding cars are involved in a great many of wintertime accidents, and a great many of those accidents could be avoided if the driver would take immediate action to get his car out of the skid. Just letting it go on skidding is asking for trouble.

First of all, get your foot off the brake or the accelerator, whichever one you were using when the skid started. Then turn your wheels in the direction of the skid. If the rear of your car skidded to the

right, turn your wheels to the right. The object is to get your car going straight ahead as soon as possible.

When the car is again going straight ahead, then you can apply the brakes, but apply them gently or you will only start the skid all over.

Most skidding can be avoided by paying careful attention to driving conditions. That means going slower, leaving more room between your car and the one ahead, making turns carefully and using tire chains.

**Colored Shellac**  
Shellac can be colored any shade desired by spirit soluble aniline dyes dissolved in alcohol. After straining the dye-alcohol mixture is added slowly to the shellac until the desired color is obtained.

## Roberta Jach's Paper in United Nations' Contest

Each year the American Association for the United Nations requests that all schools enter students in the United Nations examination contest. This examination was given in all high school on April 25.

Roberta Jach, a senior in the Antioch Township High school, entered the contest. Her examination paper has been submitted as an example of the fine work she does in our school.

The winners in the contest receive many outstanding awards such as scholarships, a trip to Europe, and a trip to the UN.

George Bellock returned home recently after spending the winter in Texas and Florida.

## Tips on Traffic Safety

By CHARLES F. CARPENTIER  
Secretary of State

In an effort to clarify the state's traffic regulations, the 1953 session of the General Assembly made several changes in those laws. One of them affects the right-of-way at intersections where no stop sign or traffic signals are placed. (Section 68, Uniform Act Regulating Traffic.)

The changed portion of the law grants the right-of-way to a vehicle which has entered the intersection over one which is approaching it. Subsection A reads, "The driver of

a vehicle approaching an intersection shall yield the right-of-way to a vehicle which has entered the intersection from a different highway."

When two vehicles approach an intersection at approximately the same time, the driver of the one on the left is still required to grant the right-of-way to the one on the right.

Subsection B reads, "When two vehicles enter an intersection from different highways at approximately the same time, the driver of the vehicle on the left shall yield the right-of-way to the vehicle on the right."

### Executives Plan Council Meeting Here on May 13

A business meeting for the Executive committee for the Northwest Area of Student Councils was held at Elva-Vernon High school on Tuesday.

Two Council students Joe Pechujls and Rosemary Larsen attended this meeting with Mrs. Jeanette Tulumello, the council sponsor. Joe is replacing President Bill Terry who was unable to attend, and Rosemary Larsen replaced Carol Cervinka, the Conference secretary, who also found it impossible to attend.

Plans were made at this meeting in regard to the Spring conference which will be held at the Antioch Township High school on May 13, for all schools in the conference.

### Fred Hoekstra, Age 73, Father of Local Man Dies at Waukegan Home

Fred Hoekstra, 73, father of Charles Hoekstra of Antioch, died at his home at 1424 Belvidere rd., Waukegan, Tuesday after an illness of six months.

Mr. Hoekstra was born in Holland, Oct. 21, 1880. He lived in Lake county the last 31 years and for the past four years worked at Great Lakes Naval Training center.

He was a member of St. Joseph church in Waukegan.

Survived by his wife, Jennie and four daughters, Mrs. Johanna Den, California, Mrs. Julia Lucas, Glencoe, Mrs. Catherine Noble, Deerfield, Mrs. Veronica Bruckner, Waukegan, and two sons, Charles, of Antioch, and Fred Jr., Lake Villa. Thirteen grandchildren, and one brother and one sister in Holland.

Funeral services will be held at 9:30 Friday morning at St. Joseph's church with interment at St. Patrick's cemetery at Wadsworth.

### Competition Starts in Baseball and Track for Antioch High School

Spring sports will start this week for Antioch Township High School athletes.

Twenty-seven boys, 10 freshmen, 11 sophomores, 2 juniors, and 4 seniors, probably will go to Palatine this afternoon to participate in a triangular meet with Grayslake and Palatine.

"If the weather is too cold, we won't make the trip," said Coach Paul Kessenich.

This will be merely an introductory meet for most of the Antioch boys for only a few have had much track experience.

Coach Dick Scott will take his varsity baseball team to Glenbrook tomorrow if rain doesn't prevent the game. The squad has had little opportunity for outdoor practice and their arms are not yet limbered up.

"They seem to have a good batting eye," said Coach Scott, but what they will do remains to be seen. He has not yet selected the nine starting men.

The next conference game will be with Waukegan here next Tuesday.

### Plans Made for Annual Session of Girls State

Plans are under way for the fourteenth annual session of Illini Girls State sponsored by the American Legion Auxiliary, Department of Illinois, which will be June 22 to 30, held on the campus of MacMurray College, Jacksonville, Ill., according to reports received from Mrs. Louise Erickson, Antioch, president of Antioch Unit No. 748, American Legion auxiliary.

Eligible to attend the week's session at Illini Girls State is any girl in the junior or third year of senior high school, regardless of whether

that school year ends in June or February. A recommendation from the high school principal or other faculty adviser, certifying that the girls possess the qualities of leadership, character, honesty, and cooperativeness and has just completed, or is in her third year of high school, must accompany each application.

Mrs. Eileen Biron, Antioch, Illini Girls State Chairman of Antioch Unit No. 748 is in charge of the program and can give the required information to high school girls interested.

The purpose of Illini Girls State is to provide citizenship training for Illinois girls of high school age; to afford them an opportunity to live together as self-governing citizens; and to inform them of the duties, privileges, rights and responsibilities of American Citizenship in order that they may understand and participate in the actual functioning of our government.

### Child's Poem Published

A poem written by Karen Lightsey, 9, daughter of Mr. and Mrs. Dan Lightsey has been published in the magazine Wee Wisdom. It is entitled "My Dog Tippy," and had four verses. Karen recently was made a member of the Writer's guild.

**Breaks Arm in Fall**  
Mary Lou Sorensen, small daughter of Mr. and Mrs. Albert Sorensen, fell from a ladder Friday afternoon, breaking a bone in her arm just above the elbow. She was taken to Conde Memorial hospital for treatment and is much improved.

— But be especially cautious when coming out of a side road on to a main, well-traveled highway. If there is no traffic light come to a full stop. Look both ways and have patience enough to wait until the road is clear before starting across. Many intersection accidents have happened because a driver thought he could beat the approaching traffic — or he figured the other fellow would stop his car in time.

### Grade School Directors Seek Their Re-election

Members of boards of the rural schools in Antioch Township whose terms expire are willing to accept re-election it was said.

The Channel Lake school district will caucus from 4 to 5 p. m. Saturday and voting will be from 5 to 7 p. m. Vern Heath's term expires and he will run again.

At Grass Lake district, Herber Meyer will again be a candidate. A caucus will be held a half hour before the polls open at 2 p. m., and close at 7 p. m. to nominate a candidate to replace Henry Stott who left the district in January. Lester Hribar was appointed in Stott's place.

Walter Good is seeking re-election at Emmons school where the polls will be open from 2 to 6 p. m.

## MILLBURN

The Rev. L. H. Messersmith's sermon topic for the Palm Sunday worship service will be "Crown Him King of Life." New members will be received into the church and there will be several baptisms. The evening service will be a candle lighting service conducted by the young people. Sunday school will begin at 9:45.

Members of the Mylo club met at the parsonage Tuesday evening for their annual birthday party. Mrs. Frank De Young was co-hostess with Mrs. L. H. Messersmith. Officers were elected as follows: President, Mrs. Russell Doolittle; vice president, Mrs. Dallas Jones; secretary, Miss Chloe Diedrich; treasurer, Mrs. Frank De Young. A book review was given by Mrs. T. H. Belke, librarian at the Lake Villa library. Walter Kenimer of Great Lakes is spending two weeks leave with his parents, Mr. and Mrs. Howell Kenimer.

Ruth Ann Halsma celebrated her 17th birthday by entertaining 17 of her school friends with a party at her home Saturday evening.

The Edward Bilas family of Bellwood, Ill., spent Sunday at the William Paulsen home.

Mr. and Mrs. Glen Cain were Sunday afternoon callers at the Joseph Strohal home.

Mrs. J. A. Thompson of Fourth Lake vicinity was a caller at the Ed Hoffman home Thursday evening.

Mrs. Jennie Thomas of Waukegan spent the week-end with her daughter, Mrs. Kenimer.

Mrs. Florence Welch of Gurnee spent Monday at the Charles Lucas home.

Lake County Farm and Home Bureau sponsored a program on Landscaping at Millburn church Wednesday evening, which was well attended. Over 100 men and women appreciated the help on landscaping around the home, given by University of Illinois specialist, Mr. Kemmerer.

Mr. and Mrs. Al Baumgart and children, Julie and Kenneth, of Union Grove, Wis., were Sunday dinner guests of Mr. and Mrs. Oscar Neahous.

The Rev. and Mrs. L. H. Messersmith and Mrs. Ora Davis spent Saturday with the Rudolph Sivka family at Madison, Wis.

Mrs. Frank Hauser spent Saturday with her daughter, Mrs. Orville Hairrell, Jr., in Waukegan.

Miss Barbara Roby of New Hudson, Mich., spent the week end with Mr. and Mrs. Robert Hughes.

## U. S. Merchant Marine

Any major power must have a merchant marine, the U. S. included. No nation which is engaged in world trade and which would be a principal belligerent in the event of another war could afford to depend on the merchant marines of others.

The sad fact is that our merchant marine has been declining—and at a time when those of other powers have been increasing. On June 30, 1948, for example, we had an active fleet of 1,723 vessels of 1,000 gross tons or larger while foreign flag fleets consisted of 8,826 such vessels. As of June 30, 1953, the latest date for which figures are available, foreign fleets had risen to 10,732. By comparison on January 1 of this year our fleet numbered only 1,203.

Even worse is the shipbuilding situation. As of July 1, 1953, the U. S. private merchant marine didn't have a single vessel, freight or passenger, under construction. England, by contrast, had at that time 2,144 freighters and seven passenger ships either on order or under construction. Sweden, Norway, Japan, France and the other maritime nations all have active shipbuilding programs underway.

Finally, many of the ships now flying our flag are obsolescent or approaching it, and should be replaced.

Every American has an interest in the merchant marine—and the legislative problems and confusions which are undermining it.

## VOTE!

We don't agree on everything—never have—never will—and would not like it if we did... except about one thing—our right to disagree. Fools—and enemies—sometimes think those loud sounds mean we are not united... but we know our basic unity is there because now there are so many more of us agreeing on that one important thing. Listen! Read! Look! Talk! Argue! Think. Then VOTE.

I have in my life been one of the most miserable beings that walked the earth. Without enjoyment, without pleasure, without hope, and without sympathy with the world. Never let the mind dwell upon anything disagreeable—turn to something else.

A young girl's love is a kind of piety. We must approach it with adoration if we are not to profane it, and with poetry if we are to understand it.

No dust affects the eyes so much as gold dust.

## BELLE OF BORDER

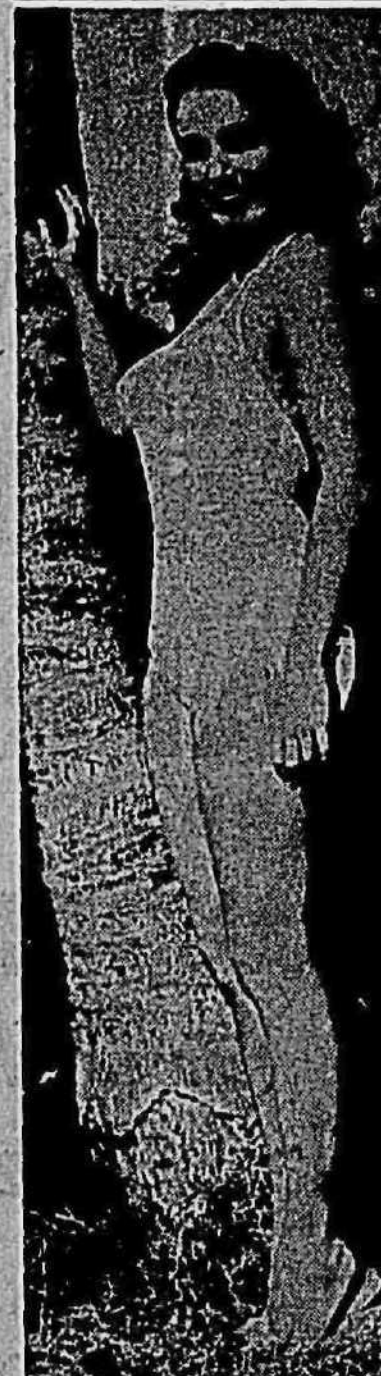

Yvonne De Carlo, whose popularity with overseas fans of American movies even exceeds her popularity at home, stars with Joel McCrea and Mexican movie star Pedro Armendariz, in "Border River," a Universal-International Technicolor production.

## ON WAR PATH!

Jay Silverheels, Hollywood's most popular Indian actor (he's also Tonto in "The Lone Ranger" radio and TV series) plays the role of Santanta, chief of the warlike Kiowas, in "War Arrow," U.I.'s big Technicolor film starring Jeff Chandler and Maureen O'Hara.

## "PERFECT LEGS"

A couple of years ago Julia Adams rejoiced when a group of artists named her the "most perfect legs in pictures." After which Julia's studio cast her in eight successive period pictures in which flowing skirts hid her limbs! Now, at last, Miss A. is rejoicing again; she wears this swim suit in her latest, "The Creature from the Black Lagoon."

Last Weekends In Adelaide, Australia, to save farmers the trouble of milking seven days a week, Governor Sir Willoughby Norrie suggested that they investigate the possibility of hormone treatments, discover a way to keep cows from giving milk on weekends.

## Food For Gift Giving

A good gift choice for many families on your Christmas list is a two-in-one gift—something to enjoy at Christmas time, and something to use the year round.

In the two-in-one gift class at a very small price is a fruit cake packed in a handsome red enamel casserole with cover. And, with it, a beautifully designed black wire basket with handles, to give the casserole oven-to-table usefulness.

The fruit cake, made from a cook book recipe, is a delicious mixture of fruit, nuts and cake, perfect for holiday serving as a dessert, or as snack fare with a hot beverage. The casserole in which it comes, with its black wire stand, will be useful for winter one-dish meals, and for summer picnics, covered dish affairs, and porch suppers.

You'll find this handsome deluxe packaged fruit cake at your grocer's ready-to-eat cake department.

## Suggestion for Candidates

Fellow citizens, nice people, I come to you now with the platform I would choose, if I was to shy my sombrero into the ring. It would have just one plank—it would say, "George Washington's and Franklin's and Jefferson's ideas on Govt. are right up my alley, so I go along with them"—end of plank. I would not need to pussyfoot, carry water on 2 shoulders, deny I was a this or a that or used to be—I would stand there on my one plank. I would not need to do a double shuffle from plank to plank—get a foot caught in a crack maybe, and look ridiculous. For the record, my "one plank" endorses to the hilt, horse sense, honesty and original Americanism. It is not cluttered with amateur dogoodism, or camouflaged socialism. The Govt. would have plenty to do with just the Army and the Navy and the Marines and the Courts.

Anything else is fumididdles and not good for this grand land. Any candidate, right now, if he chooses, he can throw his old platform on the scrap heap and climb onto my "one-plank" and take off. I will not be usin' same this season, and not being jealous of the idea, he is welcome—if he is a square shooter and on the up-and-up.

## Lovers 40 Years Nearing Altar

Minneapolis, Minn.—The romance of two German youngsters before the start of World War I came to fruition in a marriage ceremony at Anchorage, Alaska, after some 40 years of "pen-palling."

Eric Tobehn, now 54, was called too young to become engaged to Charlotte Staudte, 53, when the two were childhood sweethearts in Bad Lovisick, Germany. After Eric was called up for the army, Charlotte's

letters followed him through the war years. Out of the army, instead of returning home, he joined the merchant marine and, in 1926, settled in America. The last several years he has lived at a boarding house operated by Mrs. Oscar Westlund at Mound, Minn., just outside of Minneapolis. Charlotte's letters still came.

But Tobehn didn't have the cash to pay her one-way passage here. He did, however, regale Mrs. Westlund with tales of what a wonderful cook Charlotte was. So Mrs. Westlund last year sponsored Charlotte and employed her.

A planned wedding last Christmas was abandoned when Tobehn lost his job. Now working for the government in Alaska, he recently wrote to set the date and told of an apartment he has for his bride-to-be in Anchorage.

Her white satin wedding dress all ready, Miss Staudte boarded a plane for Alaska Friday.

## The Workers Paradise

An exceptionally vivid picture of life under communism is found in a long article which Life recently featured. It was written by Emmet John Hughes, a veteran foreign correspondent who is now on the magazine's staff. Mr. Hughes applied for a Soviet visa for the purpose of obtaining an interview with Malenkov. To his amazement, the visa was forthcoming. He never got the interview, but he was able to see a good deal of Russia.

There were a few welcome surprises. Taxi service was good and the hotels were comfortable. His baggage was not searched and he was not followed by police. He encountered neither hostility nor curiosity. He found little of the blatant totalitarian propaganda he had expected. And Moscow has its outstanding sights—such as the magnificent ballet at the Bolshoi Theatre, and the unbelievably fabulous subway, with its 30 stations "which are the most fantastic underground structures conceived by modern man."

But, Mr. Hughes found, the pleasant aspect of Moscow is quickly exhausted—"the rest of the scene is painted in different colors."

For instance, as he wryly observed, Moscow "is a city where women have been blessed with literal answers to all imaginable dreams of 'equality with men.' This means that women must work at all kinds of hard manual labor—carpentry, bricklaying, drilling. Gangs of women clean the streets with spades and crude brooms—a colossal task in winter. And, he discovered, beyond else Moscow is a city of queues. People stand interminably in line for just about everything—especially food. And the great masses of people are poorly and often inadequately dressed.

Mr. Hughes made a particular effort to learn all he could about the life of the Soviet worker—his wages, diet, and housing. He found that the people are the victims of "an elaborate 'shell game' played with numbers, prices, wages and production figures." He cited the much publicized announcement that meat prices would be reduced 15 per cent and fruit and vegetable prices 50 per cent. The joke soon appeared. Simultaneously, all meat was regraded into 12 categories—and the more edible grades remained high priced. And the vegetables and fruits could not be found in the state stores.

The state store, he continued, with prices fixed by government decree, "is a socialistically pure institution." And the prices charged—save for subsistence items—would stagger anyone accustomed to America's private and competitive retailing system. The average worker's wage in Moscow is about 650 rubles a month. A coffee pot costs 92 rubles; a rayon shirt 120; a cheap serge suit 1,500. By this kind of price-fixing, the government swiftly and completely siphons off the people's

earnings, and makes enormous profits. As an example, the state buys beef for 1.5 rubles a kilo (2.2 pounds) and sells it for 12.5.

The relatively few at the top, on the other hand—high military officers, important officials, and industrial executives—leading artists live extraordinarily well. The highest income tax bracket is only 13 per cent on income above 1,000 rubles—which, (as Mr. Hughes observed, is a "dispensation to wealth attained in no capitalist nation in the West."

So much for the workers' paradise.

## TRUE TO TYPE

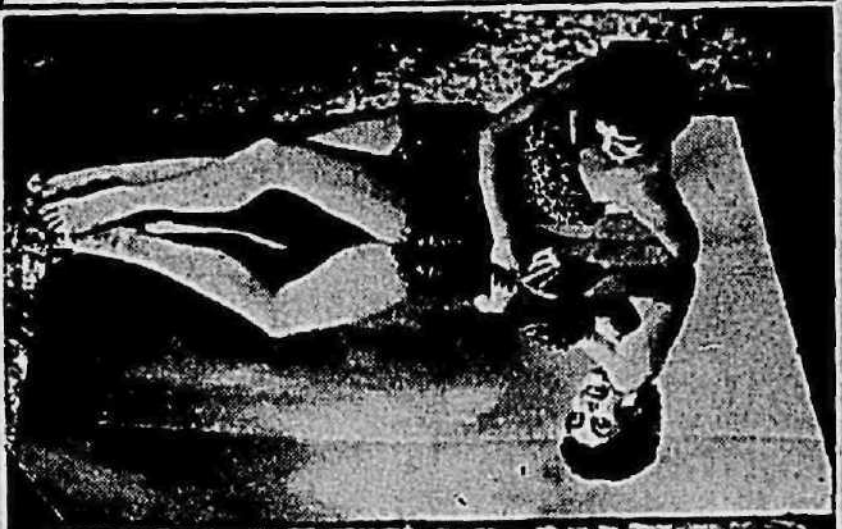

Abbe Lane, who attained stardom as a singer with Xavier Cugat's orchestra, might be said to be "type cast" in her latest movie. She plays a frontier dance hall girl in "Ride Clear of Diablo," starring Audie Murphy and Dan Duryea.

## MAMIE AND HER MATCHING MITTS

Mamie Van Doren, new glamour girl of the movies, has started something of a Hollywood fad with knitted gloves which match her sweater. "Ice Blonde" Mamie will be seen on the screen shortly as Moroccan harem beauty in "Yankee Pasha," starring Jeff Chandler and Rhonda Fleming.

## TWICE AS PRETTY THIS WAY

Susan Cabot, who recently completed a tour out of Hollywood to find she had impressed Jake Trussell of the Kingsville (Texas) Record and others as "the most beautiful woman I have ever met," should make Jake (and others) twice as happy in this reflective pose. She stars with Audie Murphy and Dan Duryea in "Ride Clear of Diablo," a Universal-International production.

## MR. MENACE!

Dan Duryea, favorite bad man of millions of movie goers, provides a classic portrait of a villain in his newest movie, "Ride Clear of Diablo."

Young Folks Are Saying  
"This is station AWOL, coming to you from over the hill."

"What did the midget say to the undertaker?"—"Make mine a short bier."

"Why can't they hang a man with a wooden leg in Wyoming?"—"Got to use a rope."

"Mr. Bones, how do you get the water in the watermelon?"—"Why, you plants it in the spring."

Schmidt and Kay Head  
Zion Wrestling Card

Hans Schmidt and Rudy Kay will give bulk and power to a wrestling card in the Zion Benton High school gymnasium Saturday night, which brings eight nationally known rappers to the Zion community.

Hardly a wrestling fan in the nation has not heard of, or seen, Schmidt via the TV cables and his appearances on major Chicago shows.

He has sent more than 40 opponents to hospitals and has created near riots in more than a hundred cities. But the temperamental guy has been given Kay as an opponent, which means he should receive a taste of his own medicine. Kay is a Chicagoan with a record of breaking more than a dozen ring structures through strong arm tactics.

Other bouts on the program, which begins at 8:30 p. m.: Billy Goetz and Johnny Balbo against Frenchy DeGalle and Zack Mal-kov in a tag affair, and Mitsu Arakawa against Pete Bartu in the opener.

The Junior Chamber of Commerce, sponsoring the furious night, expects a full house.

Central Students in  
Public Speaking Match

On March 25, the Central High School presented a public speaking contest in which the following students participated: Elso Winn, James Martell, James Day, James Pyott, Marlene Enchelmayer, Corinne Styscko, Elaine Fowler, Marvin Statema, Fred Rhodes, Gerry Anderson, Ben Phillips, Carol Styscko, Audrey Reck, Ronald Frederick, and Jeanette Sabin. The contest was judged by Mrs. Carol Merkt.

Students receiving "A" ratings are to receive gold speech medals; students receiving other than "A" ratings will receive silver speech medals. These medals will be awarded on Class Night.

On April 15 at 9 a. m. the Ambassador Quartet will present an hour program at the Central High School. The public is cordially invited if they would like to attend.

Those who deny freedom to others deserve it not themselves and under the rule of a just God, cannot long retain it.

God always gives us strength to bear our troubles day by day; but He never calculated on our piling the troubles past, and those to come on top of those today.

## HICKORY

Permission for the portion of the Hickory Corner Grade School district north of Edwards rd. to withdraw and be annexed to the Antioch Consolidated Grade School district was given by the Lake County Board of School Trustees Monday evening.

It is said that the case will be appealed.

Atty. Clinton O. Thompson representing the Hickory Corners district told the board that withdrawal of petitioning area would handicap the district both as to revenue to maintain the school and in the number of pupils making up the school.

He said that eight pupils will be taken from the school that now has but an enrollment of 14.

The petitioners said that the one-room school building is in a run-down condition; that it hasn't proper sewage and water facilities and that the board isn't spending any great money on the upkeep. The tax rate is the lowest in the county as the result. Greater educational advantages were seen in attending the Antioch school.

Unless more pupils are enrolled next year and the board's order is carried out, it probably will be cheaper for the district to send its pupils to some other district on a tuition basis.

## NEW PAINTINGS OF THE FIRST GOOD FRIDAY

Jesus before Pilate

Simon carries the Cross

The Crucifixion

As the lenten season draws to a close, the great drama of Holy Week is recalled by Christians everywhere. The day of the crucifixion—Good Friday—is especially revered and the events of that dark day stand out sharply in the pattern of the Holy Week scenes.

Christians of all faiths will be interested in the announcement of the new religious masterpieces painted by the American artist, Ben Stahl and depicting the journey of Jesus from Pilate's house to Calvary's hill.

These paintings, done especially for a new edition of the Catholic Bible published in Chicago by the

Catholic Press, consist of a series of 14 dramatic incidents on the Via Dolorosa. Acclaimed already to be as fine as the religious art of the old masters—and in some instances, to excel famous paintings of the suffering of Jesus—the series by Stahl was completed on a commission from the Catholic Press. The 14 pictures will illustrate the Stations of the Cross in the new popular edition of the Bible—an altar-size book for family use, printed in two color type with many full color illustrations of Biblical scenes.

Among the outstanding features of the Bible are the 14 page-size color reproductions of Stahl's great illustrative art covering the story of Good Friday.

## A New Weapon of War

"Of course there is an organized group of communists among the Korean war prisoners who have returned to this country. I ought to know—until a couple of months ago I was one of them." Thus William A. Ulman, writing in the Saturday Evening Post, quotes a returned American sergeant.

Mr. Ulman's article carries the descriptive title "The GI's Who Fell for the Reds," and is based primarily on interviews with over sixty former POW's. To get these interviews he traveled more than 8,000 miles by car, and ranged from New York City to tiny fastnesses in the Kentucky hills. As he points out, there is no simple answer "to why an American POW becomes a non-repatriate or—just as bad—a communist sympathizer when he returns to his home." But from his talks with the returnees—some of whom have been at least temporarily converted to Red views and some who hadn't—he came to four definite and important conclusions.

First, none of those who swallowed Red propaganda knew what they were fighting for—"they had no satisfactory definition of what communism was in theory or, more important, in practice."

Second, every man questioned,

save for a handful of World War II veterans, felt that he had been inadequately trained for combat—"All, regardless of previous service, were bitter over the lack or inadequacy of anticommunist political indoctrination, which these veteran soldiers now consider as important as grenade practice." (Early in the article, Mr. Ulman says he visited the Pentagon and was "tightly told" that each soldier is given a considerable number of hours of such indoctrination. However, going by his interviews, "it was evidently not sufficient or was poorly carried out in practice.")

Third, most of the soldiers he talked with felt that the demands made by wives and mothers for peace at any price and quick return of their men "were worth between two and four divisions to the communist armies."

Fourth—"As to the question of what makes an American soldier turn communist in the first place, I was given a double-distilled answer: vanity and self-indulgence on one hand, fear and hunger on the other." In other words, the Reds followed the "conditioned reflex" theory of the famous scientist Pavlov, and mixed threats with promises of rewards to those who would cooperate.

Mr. Ulman deals in considerable detail with the backgrounds and records of POW's who were leaders

in communist cells. They are a mixed lot. One came of a family of pronounced Marxist leanings. Another was of the type who loves power. Others were "helpless 'punks' in the face of trained communist indoctrinators." Others became believers when American officers capitulated to pressure and falsely confessed to have waged germ warfare—in this connection Mr. Ulman writes: "It cannot be overemphasized that the persuasive power of one American officer on a group of GI's in such circumstances is beyond calculation, to say nothing of the effect on world opinion." One thing in common to them all—

the Chinese Reds hoped that on their return to this country they would devote their energies and varied talents to spreading the communist line.

It is obvious that a small number of such men, even if they should fulfill their former captors' hopes, are not of much danger to this country. But Mr. Ulman's article is an impressive and often frightening description of a new weapon of war which works on minds—one that did not exist before the present worldwide conflict between irreconcilable ideologies.

**MORE Farmers Have Planted DEKALB**  
than ANY OTHER Seed Corn

In 1953  
3038 Farmers  
averaged  
101.16 bu. of  
DeKalb  
per acre

\*All yields made on  
selected 8-acre  
Contest Plots.

This year—because of acreage restrictions—RESULTS will count MOST. Every acre MUST produce MORE. The BEST GUIDE in choosing your seed, is to plant the Corn that is PERFORMANCE PROVED.

Last year, in DeKalb's Selected 5-Acre Corn Growing Contest, 5038 farmers averaged 101.16 bushels of DEKALB per acre. In 15 years of the Contest, 52,306 farmers have averaged 99.04 bushels per acre. These yields were made right on the farmers' own land—under many different soils and weather. They offer conclusive evidence of DEKALB's yielding ability—its outstanding adaptability—its year in and year out Dependability.

This Spring—every Spring—make sure of the seed you plant. Plant DEKALB.

**THE NEW 116-C.F. I-BLOCK SIX**  
Like the V-8, has Ford's deep-block design. It gives a dividend of 14% more power... greater economy, too. And, like the V-8, it has Ford's High-Turbulence Combustion Chambers for more complete and economical fuel combustion.

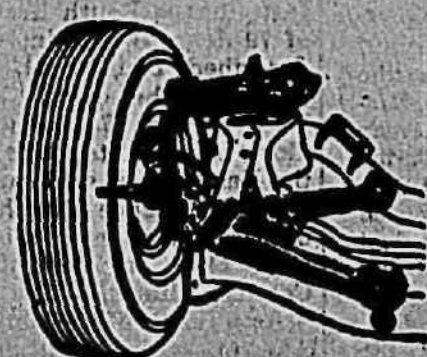

**FORD'S BRAND-NEW 130-C.F. Y-BLOCK V-8**  
With its extra-deep combustion chamber for greater rigidity for fine-car smoothness and longer engine life. Shorter piston stroke and Free-Turning Overhead Valves help give a dividend of 18% more power... 14% greater economy.

## "I," "Y" and Handsome!

No other car, regardless of price, offers you two such modern engines as Ford with its I-block Six and Y-block V-8. And to go with these and its many other modern features Ford brings you the trend-setting style of the industry.

Once you Test Drive a new '54 Ford you'll see why thousands are swinging to Ford! For besides Ford's new engines there are many other new features that make driving much easier and more pleasant. Ford's smooth eye-catching design is matched in beauty by its completely new trend-setting interiors. Then there's Ford's new Ball-Joint Front Suspension that makes possible a smoother ride... and, at extra cost, 5 optional power assists.

New Ball-Joint Front Suspension replaces the conventional leaf-spring system used in most other cars. The simple ball-joint system allows more 12 wear-points... helps keep wheels in line longer... and means your Ford will keep that new car "look" for more miles.

## SHORT STORY

### Outrider's Hunch

By James Marsh

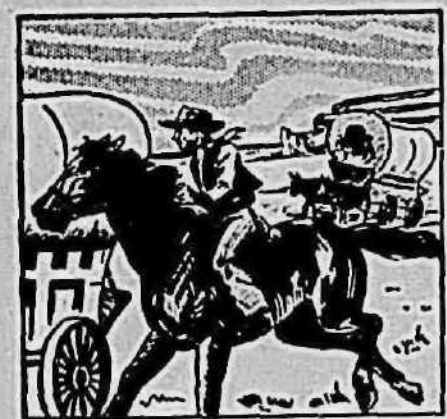

CARSON RUDD rode close to the wagon train, his Winchester held tightly across his saddle. The dust from the moving wagons rose in the air. Carson's eyes roamed the caravan until his glance fell on the stranger perched on the seat of the lead wagon. William Hord was a thin man with eyes that were colorless and a face that was at once handsome and cold. The wagons had picked him up at the last town, just before the party hit out across the great desert that was the last leg of the journey. Carson Rudd was an outrider who distrusted men like Hord. And the mysterious air about the stranger put a chill through Carson. William Hord was no more than a kid in his early twenties, and a kid that young doesn't wear a slick pair of 45's unless he's heading for trouble.

Carson Rudd spurred his big buckskin up to the lead wagon. He spoke to Hord above the creak of the wagon. "I reckon it's none of my business, Hord, but what's your reason for going to Grizzle?"

"Does a gent have to have a reason?" William Hord's eyes narrowed.

"There's a reason for everything," Carson wiped the sweat streaked dust from his forehead and glanced at Casey McGuire driving the team.

"I've minded my own business, Rudd," young Hord said.

Carson Rudd spurred his big buckskin up to the lead wagon and spoke to Hord.

"Maybe you've minded it a bit too much."

"Carson, you're too cautious," Casey McGuire said, laughing in his hearty way. "The kid's all right."

That night they camped a day's journey out of Grizzle. The worst of the desert had been crossed. Carson Rudd lay awake that night looking up at the stars and trying to remember. The more he saw of the kid the more familiar he looked.

Carson sat up abruptly. His mind racing feverishly, he recalled that William Hord shaved the first thing each morning. Shortly it would be daylight and the wagons would be moving on. Carson fought with the idea. He'd have to play his hunch.

Dawn came. The wagon moved out as a thin greyness still covered the sun. Carson rode in front of the wagon train, turning occasionally to glance at William Hord. Finally just as they approached Grizzle, Carson climbed on the seat with Casey and Hord. "Thought I'd enter town in style," he said. Several people were seen in front of the general store, including the sheriff and some deputies. As the wagon neared the group William Hord slid into the wagon.

The sheriff, a big man with a loose walk greeted the settlers. "Haven't seen a good looking kid along the way, have you?" he asked.

Casey and Carson exchanged meaningful looks. Casey, his face drained of color started to speak, but stopped when he felt the barrel of Hord's gun pushed in his back. The other gun was held on Carson. "I reckon as not, sheriff," the outrider said. "Say, sheriff, would you hand me that water bag hanging on the side of the wagon. If I got down off this seat, I'd probably keep walking to the nearest bed and not get these folks to the homestead office." Carson thought he heard Hord's breathing quicken. "It's under the canvas, sheriff," Carson directed.

The sheriff returned with the water bag and handed it to Carson. Then he walked to the rear of the wagon and pulled back the cover. Hord spun around and Carson and McGuire dove from the front seat and landed in the dust of the road. The sheriff sent a slug into the kid's arm. Hord dropped his guns and raised his hands.

"Thanks for the tip off," the sheriff said to Carson.

Casey McGuire gave Carson a puzzled look and picked himself off the ground. Carson led him to the side of the wagon and lifted the canvas as the sheriff had done. McGuire saw the words that Carson had scribbled there the night before. KILLER ON WAGON. GET SHERIFF.

## Tips on Traffic Safety

By CHARLES F. CARPENTIER  
Secretary of State

Use tire chains when you must drive on ice or snow covered streets and roads. Tests have shown they are the best protection you can have under those conditions. They are not an automatic guarantee against accidents; you must still drive more cautiously when road conditions are bad, but they will increase your control over your car.

Tests conducted by the National Safety Council have shown that a car equipped with conventional tires traveling at 20 miles an hour on glare ice when the temperature is 20 degrees requires 209 feet to come to a stop. Under the same conditions, but equipped with tire chains, the car can stop in 77 feet, almost one-third of the distance needed when chains are not used. On hard packed snow, the distances are 62 feet without chains and 38 feet with them.

In addition to helping you stop your car on ice or snow, chains also enable you to get moving sooner. On glare ice, your car can climb only a three per cent grade without causing the wheels to spin. With chains, you can climb a 23 per cent grade.
